

New Orleans Relief Contest

Catherine Gross (FetishAuctioneer.com), Mistress Victoria, and Viola Johnson are sponsoring a fundraiser to help members of the New Orleans leather community. So many have lost everything in the wake of Katrina's devastating impact, and we want to help them rebuild their lives and communities. While many individuals and organizations are contributing their time, money and support to the relief effort, it is our hope that a concerted group effort will enable us to offer even more to extended members of our leather family who are in desperate need.

The fundraiser will be in the form of a contest, which will be open to clubs, events, businesses, and e-mail lists. The group contributing the largest donation will win a basket from Fetish Auctioneer, **valued at \$250.00**. All funds collected will be split between several clubs in New Orleans: Lords of Leather, Knights d'Orleans, N.O.B.L.E., New Orleans Bear & Bear Trappers, and Crescent City Outlaws, for distribution to their members who are in need.

We support the Leather Fund, which will be supplying low-interest loans to those in need to help rebuild their lives. While this is an excellent long-term solution, we are collecting funds that will go directly to the clubs, and they will disperse them to members to meet urgent needs, such as food and shelter. We're asking for your help to provide immediate relief to those who need it most.

Spread the word and go for the basket prize!
